ORU ATHLETICS MISSION:
The mission of the Athletic Department is to provide a competitive intercollegiate athletic program consistent with NCAA rules and regulations, to further the mission of the University, to serve the needs of the student-athletes and to prepare student-athletes for life after athletics.

GOLDEN EAGLE CLUB MISSION:
The mission of the ORU Golden Eagle Club Inc. is to support Oral Roberts University’s Department of Intercollegiate Athletics through private funding for scholarships, endowments, capital projects and other needs as prioritized by the Department.
Dear Golden Eagle Friends,

While this year has been unlike any other I have ever seen, it has been an incredible experience to see the response of so many during this unique time.

Our staff truly rose to the occasion as the pandemic hit, student athlete needs arose, and the NCAA landscape changed constantly.

Our Coaches rallied around our new normal to assist our student-athletes in everything they needed as many converted to counselors, academic advisors, and psychologists.

Our chaplain program was phenomenal, assisting our student athletes and helping them through this time while growing spiritually.

Our Student-Athletes took every advantage of not wasting any opportunity and, even in the midst of complete uncertainty, shattered the department GPA record with a 3.37. They STILL completed more than 3,000 hours serving our community, ran virtual chapels, and held virtual Bible studies.

Our University has continued to provide a world class education, safe environment, and an unparalleled experience through all circumstances.

Our supporters and donors, YOU, have been simply amazing! Only at ORU could we close out our fiscal fundraising year so strongly during this unprecedented time. We truly thank each of you for your sacrificial giving and support of our mission. You have been the foundation of our response and provided so much stability and support. Our student-athletes show the return on that investment every day and have taken the lead to make the most of this time!

Our teams are pressing forward each day, looking ahead to a great year with momentum that cannot be slowed. There is so much to look forward to and be proud of! Before the shutdown, Golf had won tournaments, Track had All-Americans, and Baseball had been picked to win another Summit League Championship!

Men’s Basketball continues to improve and is on the rise, achieving the second most home wins this century and securing their second #1 recruiting class in three years! Help us “PROTECT THE MABEE” again this year and kids always get in free!

Men’s Soccer had an unbelievable year: winning the Summit League conference championship, securing the most wins in program history, and achieving a TOP 20 ranking in the nation! Join us as the majority of the team returns, eyeing another championship!

Please take time to review this year’s donor guide to see new student-athlete stories, ways to get involved, upcoming events, and the continued IMPACT of your support. Your membership MATTERS, your support MATTERS, your cheers MATTER! None of this happens without YOU - especially now! The Golden Eagle Club has now grown over 315%!

While we do not know the future, we know who holds it. This year may contain some uncertainty, but with your support, we will get through this together!

Culture is revealed in hard times and the Golden Standard continues to guide our path in all we do. I truly believe we represent the best University in the world and know the future is bright!

The best is yet to come . . . because of you!

I am grateful for the continuous generosity and support for ORU athletics. We would never be able to do it without the support of our generous donors. ORU men’s soccer had a breakout year finishing with the 9th best win percentage in college soccer, finishing the regular season top 20 and winning a regular season championship. Among countless other achievements these are a far second to the lives that are changed every day inside our athletic program.

#GOLDENSTANDARD
What is the Golden Standard?

ORU IS THE GOLDEN STANDARD

Developing Whole Person Champions

We are about competing at the highest NCAA Div. 1 Level
- Winning Summit League Championships
- Playing in NCAA Tournaments
- 167 Conference Championships

But we are about more than just Competition, we develop Whole Person Champions by preparing them for Life after Athletics, Intellectually - Socially - Spiritually.

INTELLECTUALLY

Last year ORU Student-Athletes had a 3.37 GPA and 82% Graduation Rate with two Student-Athletes selected as their academic department’s Students of the Year. They were part of an ORU Graduating Class of which
- 97.2% were employed or accepted into a graduate school
- Business Management Graduates scored in the Top 1% in the Nation
- Business Finance Students scored in the Top 5% in the Nation

SOCIALLY

100% of our Student-Athletes participated in over 3,000 hours of Community Service projects in the Tulsa area. ORU Student-Athletes serve in Leadership positions in virtually every area of campus.

SPIRITUALLY

100% of our Student-Athletes are involved in a weekly Bible Study led by our Coaches and Team Chaplains.

Student-Athletes from all 16 of our teams are involved in a Sunday evening Prayer Walk at the ORU Track, and over 75 of our Student-Athletes attend a weekly FCA group led by Student-Athletes.

MISSIONS

25 Student-Athletes participated in Spring Break and Summer ORU Mission Trips to more than 17 different countries.

Over 50 Student-Athletes participated in a year long Mission Program in the local Burmese community which culminated in a Soccer Festival involving over 300 Burmese children.
MOST IMPORTANTLY . . .
OUR STUDENT-ATHLETES!
At Oral Roberts University, we have student-athletes who are changing the world, taking full advantage of their opportunities. Our student-athletes have won Olympic medals, conference championships, NCAA Championships and have graduated with GPAs at the highest levels in memory. These opportunities are not possible without your private support.

WHY SHOULD YOU JOIN THE GOLDEN EAGLE CLUB?

ATHLETICS IS OFTEN VIEWED AS THE FRONTPORCH OF THE UNIVERSITY
Athletic success is important to Oral Roberts University. Financial stability in athletics breeds success and success breeds pride among our many alumni and friends. Winning can be a tremendous recruiting tool for the general student population as well as for potential student-athletes. Athletic accomplishments often provide invaluable national visibility for ORU while also serving as a catalyst for philanthropy to all areas of the University.

TO PROVIDE STUDENT-ATHLETES AND COACHES WITH THE FINEST POSSIBLE RESOURCES
Private support is the lifeblood of ORU Athletics. Financial stability is necessary to provide scholarship support and academic services for our 256 student-athletes and help them make the most of their educational opportunities and earn their college degrees.

TICKETING REVENUE IS NOT ENOUGH
Men's basketball, women's basketball and baseball ticketing revenues are not enough to adequately support all 16 of our intercollegiate athletic programs. Rising scholarship costs, escalating team travel expenses and the need for modern facilities require that new sources of revenue be discovered.

Going to the ORU basketball games has been fun for the whole family! We have loved the pregame meals. My kids love the inflatable sports games in the concourse. And they always look forward to dancing with Eli on the court! And of course it always helps that the team was so great at home this year!

The Golden Eagle Game Night was an absolute blast for me and my family. We did not attend ORU, but they definitely gained a few fans for life. The food was always great, people were always positive, and solid team basketball is eternally fun to watch. DONOR AGREEMENT
Donors agree to adhere to and abide by rules and regulations governing intercollegiate athletics as determined by the NCAA, the Summit League and Oral Roberts University. If questions arise concerning the various rules and regulations, donors acknowledge that they should contact the ORU Athletic Compliance Office at 918.495.7095. Donors agree that should they be found by the NCAA or the University to have violated, knowingly or without regard for the same, rules or regulations, they may be disassociated from the University, athletics program and its activities. Donors can be expelled as a member of the Golden Eagle Club and will forfeit all benefits and privileges (including the right to receive priority season tickets and parking at specified athletic events) until the end of the period of disassociation and subsequent reinstatement by the Golden Eagle Club.

How will the new tax law impact me?
Congress recently passed new tax legislation that changes the way donations tied to tickets are handled, eliminating the 80% rule. Please consult your tax advisor as to how this might impact your taxable charitable deductions. Regardless of how your taxes are handled, the impact all giving has on our student-athletes and athletic program is incredible!
